### **Report of Industrial visit**

As a part of the curriculum, the students are required to undertake Industrial Visits to a few industries of repute. We feel it will be useful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

Industrial Visit was conducted under the Soft Skill Course as prescribed in SE Computer engineering syllabus of SPPU on 31/08/2018. The Industrial visit was planned at Baramati Hi-tech Textile Park Ltd., Baramati, Maharashtra.

The visit was conducted in its true spirit and was really helpful for the students to understand automated system in manufacturing different apparels. Our students were very eager to visit technical department Baramati Hi-tech Textile Park Ltd, which currently practically implanting Automation Processing unit.

Automation technology is changing the way of Manufacturing Shirts, trousers, children cloths, and the benefits are far-reaching. It also improves profitability, processes like purchasing etc. using SAP. It had also provided the information about the automation technique and embedded system use in production plant.
