

**AKHIL BHARTIYA MARATHA SHIKSHAN PARISHAD'S**  
**Anantrao Pawar College of Engineering & Research**  
**Department of Electronics & Telecommunication Engineering**  
**Electronics and Communication Engineers Student Association**  
**ANNUAL REPORT**  
**Academic Year 2016-2017**

“ECESA”, a forum formed by Electronics and Telecommunication Engineering students to work for development of students through technical and non- technical events and thereby providing them an opportunity to portray their talent in various ways.

**Objectives of ECESA:**

- To bring about the technical development of students by organizing seminars, workshops and other activities. To improve non-technical abilities of students by inculcating good communication skills, managerial abilities, presentation skills and team work.
- To act as a forum for students to voice their opinions and suggestions so as to contribute towards their social and technological development.
