Hon. Principal/Director,
All concerned affiliated colleges/recognized institutes

Subject: Regarding sanction of financial assistance for organizing State National and International Level Workshops / Sessions / Conferences under the Quality Improvement Scheme in the academic year 2019-20...

Sir/Madam,

Under the Quality Improvement Scheme, university affiliated colleges and recognized institutes in non-tribal and tribal divisions and state national and international level workshops, seminars and conferences are submitted online within the prescribed time frame as mentioned before the names of the college institutes in the attached list which are eligible as per the guidelines of the Quality Improvement Scheme. Financial assistance is being approved.

In the academic year 2019-20, after scrutinizing the proposals approved by the College Accreditation Committee, the final list has been selected, taking into consideration the proposals received by the University and the subject matter of the workshops/seminars/conferences, their scope and usefulness. Separate letters of approval will not be sent. The published list should be considered approved.

If action has been taken against these colleges for non-subsidy for two years due to non-submission of internal marks of the students, no financial assistance will be given to such colleges, if workshop discussion area councils have been sanctioned without notice, if such colleges do not organize workshop discussion councils.

The concept of Quality Improvement Scheme came into existence keeping in mind the vision of increasing the quality of the affiliated colleges and institutions. This scheme is definitely a boost for a university of international reputation and quality priority like Savitribai Phule Pune University. Considering the current scope of the university's approved ecosystem of recommended colleges, approximately 714 colleges in traditional education and vocational education are estimated. 174 recognized institutes and approximately 75 recognized research institutes are organized in a systematic manner under the Quality Improvement Scheme to improve the quality of the students and teachers of the colleges affiliated to the University. and are presenting research papers but the information about such participants and the research papers submitted by them is not collectively available to the university. 72 hours today the information of the participants should be submitted on the link of the university <http://bcud.unipune.ac.in> -> login -> menu -> planning and development -> submit participant's details. The report submitted in such a manner should be submitted as per the instructions given while submitting the accounts to the university.
