Event Report			

Name of Event: "Guest Lecture on Object Oriented Programming"

Date of Event: 7/10/2023

Organized By: Department of Computer Engineering

Time of event:-1 1AM To 1 PM

Name of Event Coordinators: Prof.Chetna Upasani

Name of resource Person/ Speaker (If Applicable): Dr. Swati Shrike, Ph.D. (Computer Engineering)

Brief Introduction of Resource Person/Speaker (If Applicable): Assistant Professor MIT School of Computing. MIT Art, Design and Technology, University, Pune with 13 years of Teaching Experience.

Target Audience with count: 71 Students of SE Computer Engineering

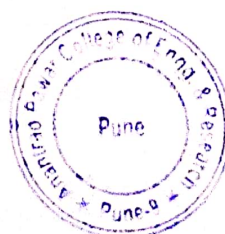

Objectives of Session:

- To describe the basic concepts of Object Oriented Programming (OOP) and its importance.
- To discuss the usage of OOPs in industry Programming,
- To describe the concepts of Class, Object, Abstraction, Inheritance, Polymorphism, Constructor, Pointer and Coding Patterns.

About the Event:

The Department Computer Engineering has organized the Guest Lecture on "Object Oriented Programming" for SE computer engineering students. Dr.Swati Shrike was the resource person for the Guest Lecture. Prof. Chetna Upasani started the session with a warm welcome to all the attendees, she introduced an overview of the guest lecturer and introduced the guest speaker Dr.Swati Shrike.

Resource Person Dr.Swati Shrike has delivered the session on basics of "Object Oriented Programming" During the session she has explained the basic concepts and techniques which form the object oriented programming paradigm. She also explained the model of object oriented programming like abstract data types, encapsulation, inheritance and polymorphism and how to implement programs

Subject: - Invitation for Guest Lecture On Object Oriented Programming.

Respected Madam,

We, Department of Computer Engineering of Akhil Bhartiya Maratha Shikshan Praishad's Anantrao Pawar College of Engineering & Research, Pune is willing to invite a person of immense knowledge like you to deliver expert lecture in the area of "Object Oriented Programming" under "Computer Engineering Department". In this connection please make it convenient to deliver a lecture in the benefit of our Engineering Students.

As per our telephonic conversation we have finalized date of lecture as October 07, 2023 from 11 am to 1.00 pm. We look forward for your lecture and guidance.

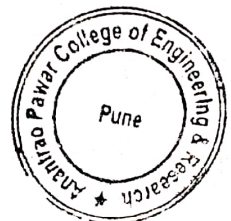

Yours Sincerely,

Respected Madam,

On behalf of all students and staff members of Computer department, we would like to give our special thanks for delivering a guest lecture on the topic “Object Oriented Programming” on 7th October 2023. I am very much sure that the lecture delivered by you is helpful for building their career.

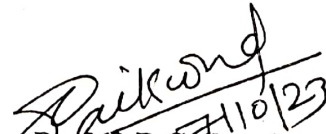

Thank you for giving your valuable time and sharing your knowledge related to object oriented concepts which are demanded in IT sector with our students. We hope you will extent your co-operation in future.

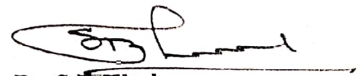

Thanking you,
