Event Report			

Name of Event: Seminar on “**Opportunities for Civil Engineers in Government Sector**” on 5th March 2024

Date of Event: 05/03/2024

Duration of Event: 11:15 AM To 01:15 PM

Target audience: 80 students

Resource Persons: Mr. Pundlik Adsul, Director, IITian's Academy, Pune

Details of Event:

Seminar started with a brief introduction of resource persons by **Prof. A. A. Chavan**. The session was started by **Mr. Pundlik Adsul** sir. He briefed the students about **MPSC Maharashtra Engineering Services (MES)** and **Direct Recruitment Examinations** conducted by Maharashtra Government. He discussed about benefits and their job profiles in different departments of State Government and PSU's. He again explains that this exam is one of the most prestigious examinations in Maharashtra, he explained about Eligibility Criteria, Exam Pattern, Syllabus, Selection Process, Preparation and Application Process. Sir also focuses on technical skills and knowledge required to crack such kind of examinations. He highlighted that Overall; the Maharashtra MPSC MES exam for civil engineers offers a promising opportunity for aspiring candidates to secure government engineering positions in Maharashtra state. With diligent preparation and strategic planning, students can crack this competitive examination and embark on a rewarding career in the government sector.

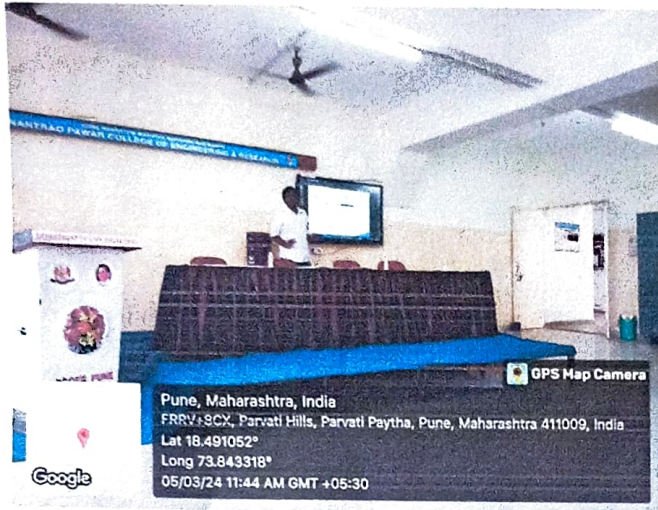

Sir also briefed about syllabus for the MPSC MES exam that covers various topics related to civil engineering, including Structural Engineering, Geotechnical Engineering, Environmental Engineering, Transportation Engineering, and Water Resources Engineering. Additionally, students are required to have a good understanding of General Studies topics such as Indian Polity, Economy, History, Geography, Science and Technology, Environmental Studies, etc. Further sir explained that it's essential to keep track of the official notifications released by MPSC and other departmental (WRD, WCD, PMC, PCMC, Mahagenco, Mahatransco, CIDCO, PWD etc.) examinations regarding exam dates, eligibility criteria, syllabus, and other relevant information.

Lastly session was concluded by giving vote of thanks by Prof. A. A. Chavan.
