Letter of Thanks

To,
Mr. Harshad Birajdar,
Founder,
Gratus Tech,Pune

Dear Sir,

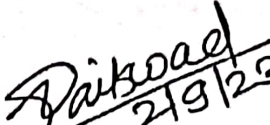

On behalf of all students and staff members of Computer department, we would like to give our special thanks for delivering a guest lecture on the topic of Incubation- Opportunities for Students and Faculties on 02nd September 2023. I am very much sure that the lecture delivered by you is helpful for building their career.

Thank you for giving your valuable time and sharing your knowledge related to various technologies which are demanded in IT sector with our students and staff members. We hope you will extent your co-operation in future.

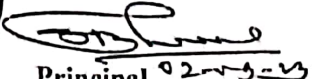

Thanking you,

Event Report			

Name of Event: Session on "Incubation Oppoutunities for Students and Faculties under Institution Innovation's Council (IIC)"

Date: 02/09/2023

Mode of session: Online

No. of students Participated: 180

No. of faculties Participated: 9 + All HODs

Objectives of Session:

The main objective of this program is to enlighten the academicians about various aspects of incubators & accelerators.

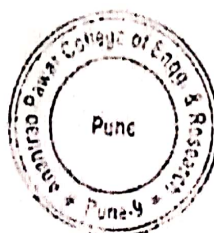

- To highlight the role of incubation centres in the assistance of entrepreneurs.

- To clear the idea how these incubation centres help in developing the business & solving problems associated with it.

About the Event:

Institution Innovation Council (IIC) of Anantrao Pawar College of Engineering & Research, Parvati, Pune has organized webinar on Aug 28, 2022, titled 'Accelerators/Incubation opportunities for students and faculty-early stage entrepreneurs'. It was well-received by more than 150 participants of Computer Engineering Department. Prof. Amruta More started the session with a warm welcome to all the attendees, She introduced the Institution Innovation's Council (IIC) and gave an overview of its function & activities. Prof. Dewendra Bharambe introduced the guest speaker, Mr. Harshad Birajdar, Founder of Gratus Tech..

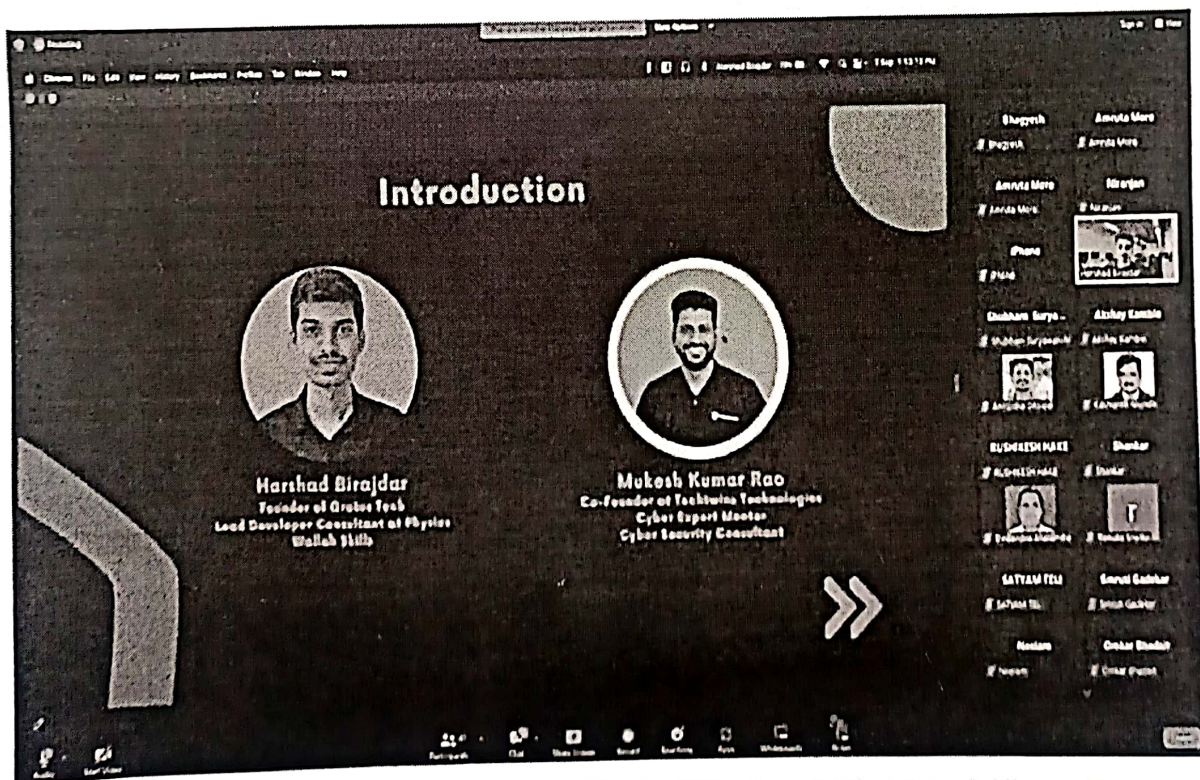

Mr. Harshad Birajdar said that an ecosystem is important that will foster innovation and entrepreneurial spirit among the students and faculty. According to her an incubation centre is the institution that nurture & extend new ideas; otherwise there is wastage of talents. Now it is the requirement to transfer technology to industry. A good infrastructure is necessary for an incubation centre where there is a group of students, scientists & constant monitoring is existing. She also gave emphasis on pre-incubation centre. Pre-incubation centre constantly support ambitious and innovative entrepreneurs by enabling them to transform their ideas into a minimum viable product. Stability in the idea is required; it is not constantly changeable. Sustainability is foremost important for incubation centre. Proper funding is

Event Report

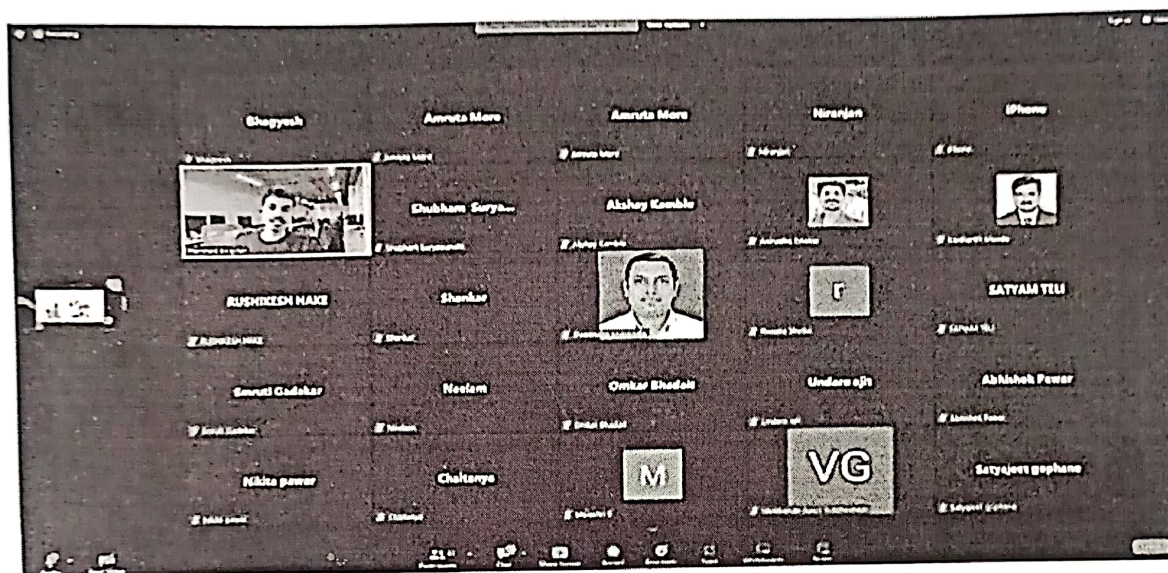

necessary to execute the activities & so continuous searching for sponsoring agencies are needed. He also told various funding sources. To initiate the start-up, an incubation centre is important. Technology Readiness Level (TRL) is discussed by her. It is a method for understanding the technical maturity of a technology during its acquisition phase. According to him, those organizations have TRL value between 4 to 5, they will get sponsorship easily. He emphasized that constant interaction with the students is another important aspect. She boosted the confidence of all the attendees. Sticking to the thought process is very important & efforts should be invested in that direction. Failure can't stop; but failure makes you much more responsible & dedicated to the work. So that success stories are created & inspired by others also.

Subject: - Invitation for Expert lecture on Incubation- Opportunities for Students and Faculties

Dear Sir,

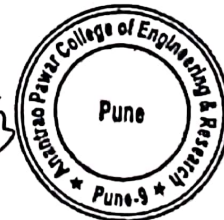

We, Department of Computer Engineering of Akhil Bhartiya Maratha Shikshan Praishad's Anantrao Pawar College of Engineering & Research, Pune is willing to invite a person of immense knowledge like you to deliver expert lecture in the area of "Incubation- Opportunities for Students and Faculties" under "Institution's Innovation Council". In this connection please make it convenient to deliver a lecture in the benefit of our Engineering Students.

As per our telephonic conversation we have finalized date of lecture as September 02, 2023 from 11:30 am to 12:30 pm. We look forward for your lecture and guidance.

Yours Sincerely,

To,
Principal,
Anantrao Pawar College of Engineering and Research,
Parvati, Pune 09

Subject: Regarding Permission for Arranging Expert Lecture on "Incubation- Opportunities for Students and Faculties" on 2nd September 2023.

Respected sir,

With respect to above mentioned Subject, we department of Computer Engineering, wish to organize an expert session on "Incubation- Opportunities for Students and Faculties" under "Institution's Innovation Council" for second year students on 2nd September 2023. We are going to invite Mr. Harshad Birajdar who has his own startup Gratus Tech, Pune. Mr. Harshad Birajdar is working on various technologies which are demanded in society. The students will gain good knowledge and is very helpful for students.

We have planned the session in following time and expected remuneration is also given below.

Session No.	Topic to be covered	Date	Time	Expenses in Rs
1.	Incubation- Opportunities for Students and Faculties	02/09/2023	11.30am-12.30 pm	1000.00
Refreshment				250.00
Total Expenditure of the lecture				1250.00

So, we request you to kindly permit us to organize Expert Lecture on "Incubation- Opportunities for Students and Faculties".

Thanking You,
