Dear Dr. Sunil Thakre

Principle Anant Pawar College of Engineering & Research Pune

I hope this message finds you well. I got your reference from Dr Vijay (cc here) Thanks Dr. Vijay for connecting.

I am Makrand Pathak, representing UPTICK Singapore, a team of seasoned industry experts specializing in the Technology sectors. Each member of our team boasts over two decades of proficiency, bringing extensive hands-on involvement in providing cutting-edge technological solutions.

We are thrilled to introduce various programs designed to equip students with practical industry knowledge, complementing the solid foundation acquired during their academic journey.

I'm planning a trip to India and eager to explore collaborative opportunities with your college.

We kindly request a one-hour session on Saturday 17th February 2024 we aim to share insights on what makes students stand out in the professional world post-academic education.

Additionally, we will provide an overview of the unique offerings from UPTICK, Singapore.

Your insights and collaboration are invaluable to us, and we believe this meeting will pave the way for a mutually beneficial partnership.

Thank you for considering our proposal, and we look forward to the opportunity of working together.

Please be advised: If you can secure a slot for February 17th, I am aware that a workshop is already scheduled. This information will enable me to make adjustments to my flight bookings accordingly.

PFA attached my company profile and program details.

Best Regards,

Makrand Pathak

Brief Description of Event:

The workshop commenced with a warm welcome address delivered by Prof. Swati Joshi, followed by the felicitation ceremony, our Head, Prof. Sneha Salvekar, introduced the Design Thinking, Critical Thinking, and Innovation Design workshop. The resource person was then introduced by Prof. P. S. Hanwate. Dignitaries shared their thoughts ad insights related to Design thinking and Critical thinking, wherein Shri Dhairyashil Vandekar sir expressed the need of such evolving technologies to sustain in the evolving market. Dr. Vijay Vadhai, Hon. Principal Prof. Poonamkumar Hanwate proposed the Vote of thanks of Inaugural Session. Subsequent sessions were conducted by Resources of the workshop.

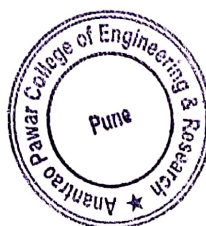

Session by Mr.Makarand Pathak

Sir has extended a collaboration opportunity with APCOER, Pune where students will get a chance to work in the Uptick, Singapore as an intern where the students will develop product by their own under mentorship of the uptick Product manager and the Team Lead. He also explains the students how the Product Developer is now required in the market not a Software Developer. He will also make the students industry ready and make them capable of deciding in which field they have to develop themselves.

Session by Mr.Pratap Shukla

Sir developed interest and awareness about design thinking critical thinking and innovation design among the students. He guided students in product development how big companies think built the product which are better for user. He also helped students understand how to develop skills and how to break the process into smaller goals and set milestones related to it through activities. Overall workshop develops a great knowledge among the students. Shukla Sir also announced collaboration of his company Take it Ideas Innovation Pvt. Ltd. through development of center of excellence in design thinking for APCOER students. This event played a pivotal role for all final-year students, providing a valuable opportunity to deepen their understanding of Design Thinking, Critical Thinking, and Innovation Design.
